

## **ANNUAL ACADEMIC CALENDER-NAV**

### **Students stretch, bend to mark The International Yoga Day**

Yoga is a light, which once lit, will never dim. The better your practice, the brighter the flame. Yoga has become a popular form of physical activity to improve health and the state of well-being over the last few years. Since its inception in the year 2015, June 21st is celebrated as The International Day of Yoga all over the world. This idea was proposed by our Prime Minister, Mr. Narendra Modi. He believes that Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being.

Keeping in mind the theme , "Yoga for Humanity " , St. Kabir High School Navrangpura celebrated "The International Yoga Day" by organizing a special yoga session in which the students from std 1st – 10th , performed various 'Asanas'. The main aim was to raise awareness and ignite a passion for fitness and yoga among the students.

The celebration began with a brief introduction about yoga, by the students Std IX , explaining how yoga maintains the harmony between body and mind. Later a small round of Quiz on yoga was also conducted by a student where in all the students participated energetically.

A brief introduction of the guest, Ms Chidrupini Kshtriya, a Certified Yoga trainer , nutritionist and a dietician was done followed by the performance of Yoga with mystic music by the selected yoga students from Std 3rd – 9th . She explained the importance of Yoga in the day to day life. She also discussed that regular practice of Yoga will help the students achieve better mental and physical health followed by simple warm up exercises and Asanas by the students and the teachers enthusiastically.

The entire "YOGABHYAS" lasted for an hour and was concluded with an oath by all the participants on continuing the practice of Yoga for keeping the body and mind in healthy, stress-free and cheerful condition

Moreover, the event became super exciting with "Matki Fod" ceremony and Parents performance with the students. Thanks to all the teachers for their efforts and to students for their hard work. The entire program was well applauded and appreciated by parents a lot. It was a memorable day for one and all.

## **INVESTITURE CEREMONY**

### **ST. KABIR HIGH SCHOOL**

**“Some people want it to happen, some wish it would happen, others make it happen. The student council leads school with confidence and inspires to impact lives.”**

An Investiture ceremony delegates responsibility and gives authority to children. It teaches them lifelong skills of being powerful and humble. On 22<sup>nd</sup> August, 2022, the momentous occasion of entrusting responsibility to the newly appointed student council was organized in its grandeur way. The zeal and enthusiasm of students knew no bounds.

The auspicious occasion was commenced by lightening of lamp by respected Heads and Supervisors. The fabulous dance performed on ‘Ganesh Stuti’ greeted the guests and triggered positivity in the premises. Then came the moment when our newly elected council marched in the Assembly hall to take over their duties and responsibilities for the current year (2022-2023). They were officially introduced and conferred with badges. They stood there with utmost pride and dignity as a tribute to the trust, students have conferred on them. The new council took the pledge to hold the school motto in high esteem and live up to the expectations of their mates. The old student council marched in and passed over the school and house flags to the newly elected heads and captains. It was a proud moment for all as the new council is all set to carry the legacy further. Our Assistant Director Madam congratulated them and shared her inspirational talks on unity, discipline, morality and honesty in leadership. The school band managing the entire event, playing instruments like drums, Side drums, Cymbal, Lezim etc. was commendable. .

Continuing the school tradition, old student council was commended with good work certificates by our respected parents for their extraordinary role in the previous year (2021-2022). The event concluded with an energetic song performance “Aasman ke Paar” and a beautiful modern dance on “Rise Up”.

Life is more fun, if you play games.

Just a minute (JAM)” is an interesting game like competition to encourage students to showcase their cognitive ability. This competition gives excellent opportunity for the students to further develop their capabilities through the challenges that they are made to take on during the competition. Like every year, On 26<sup>th</sup> August, 2022 JAM competition was organized with new themes for students of Class I-V. Parents took part in competing along with their children, recollecting their childhood memories.

The theme for 1<sup>st</sup> STD was tying maximum cloth clips, while for 2<sup>nd</sup> STD it was Ball-O-Leg (placing the ball between legs and reach the finish line); 3<sup>rd</sup> STD students did acting of Back to School routine. The 4<sup>th</sup> STD students did knee race and 5<sup>th</sup> STD students kept a watch on the balloon, stopping it from touching the ground to win.

This provided students with a golden opportunity to practice and exhibit their skills. The final round further piqued the interest of the audience as they held to their seats watching the “Surprise Audience Round”. Last but not the least, the most free-spirited round carried by the “Teachers Round” made the competition spellbinding. The session ended with a thankful note from our respected Principal Madam.

Be the change you want to see in the world “ was the famous slogan given by Mahatma Gandhiji .The father of the nation was always in action that’s why we have a free nation today.

To pay our respect and tribute to the greatest leaders ,St. Kabir High School (Navrangpura) celebrated a cultural program on 30 th SEPT 2022 to embark the occasion of Gandhi Jayanti ( 2nd of October). It marks the birth anniversary of Mahatma Gandhi, Father of our nation and Lal Bahadur Shastri who served as the second Prime Minister of India. The school decided to celebrate the occasion with splendour. The cultural program was planned and the school assembly was selected as the venue for the program. It’s important to uplift the values and ideas of Gandhiji and Shastrji’s contribution towards the upliftment of common man among the students. At the very beginning of the program, students recited poems. There were speeches based on the life of Mahatma Gandhi and Lal Bahadur Shastri. It’s believed that you must follow what you preach. Their poems were in praise of Gandhiji’s ideologies which has enlightened India as well as the world even today. Music was an intrinsic part of Gandhiji’s life. Students sung few favourite songs of Mahatma Gandhi as a tribute to Him. At the end,there was a play on the life of Mahatma performed by the students of std IX and IV. The simplicity with which he won the lives of crores of Indians was highlighted . The program ended with an enthusiastic dance, that enchanted the audience and made the two Patriots presence felt within us.

## St. Kabir High School, Navrangpura kids visited Science City

Field trips are fun! You get to put down the books and pencils and drive to a new location with interesting things to see and experience. . Even the most vivid living book can be supplemented by a real life experience. It is the place from where they can get the best of education as well as entertainment at the same time. The things our children have only read about *come alive* as they have seen, heard, or even felt during a field trip.

Little Kabirians were all set to start the day by exploring and enjoying the beauty of nature in the morning at 10:30 on 22<sup>nd</sup> November 2022 at Science City.

So to experience the things in live we went to Science City. The students learnt about these things in live:

(1) Aquatic Gallery – The Aquatic gallery, India’s largest public aquarium with state-of-the-art life support systems is designed and curated to give a memorable journey of the underwater world. The aquarium consists of different tanks dedicated to aquatic species from across the world with a main tank consisting of sharks and a 28-meter unique walkway tunnel, providing an experience never seen before. And our students enjoyed watching African penguins and over 188 species and 11600 fishes under one roof. They also enjoyed Internal Dome to view fish closely, Shark tunnel, touch pool and live feeding to fish.

(2) Robotic Gallery – The robotic gallery is developed as an interactive gallery showcasing the frontiers of robotic technology .Students enjoyed robots playing football and badminton. Robot wrestling was also a part of attraction. At the end of the trip they all had a smile on their little faces happy to gather knowledge about the different aquatic animals.

The trip was filled with lot of fun, excitement and learning about many aquatic animals and Robots. The students took back with them a bag full of information about aquatic food chain and care for animals.

The officer explained how the many tools that are stored on different trucks are used in fighting fires. A live demo was shown how the fire is blow off. The Students learnt about the control system and functioning of fire station and how the officers being community helpers, help the society at its best. At Khoj museum they reconnected their knowledge with climate changes, gathered information about plastics and connected to soil. Various activities were given to the students and they acquired knowledge through wonderful hands-on activities, interactive displays and experiments. The set-up of labs help young students to gain in-depth knowledge, experiment, observe and understand concept of climate changes, soil, plastic and 4 R s (Refuse, Reduce, Reuse, Recycle).

## KABIRIANS CELEBRATE WORLD BRAILLE DAY

To touch words and have them touch you back is a miracle of reading in Braille that the sighted will never understand. The World Braille Day, 4th January was celebrated by St Kabir High School, Navrangpura. The day marks the birthday of Louis Braille, the creator of braille. The occasion was honoured by inviting Mr. Mukesh Patel, Principal of the Physiotherapy College for the blind and course coordinator at Ahmedabad University. More than 1000 patients have received his care during his 28-year tenure. In addition, he was given the Jagdishbhai Patel Award for his outstanding efforts to inspire visually impaired kids. He delivers lectures on technology and core sciences to visually impaired students. At the age of 26 years, despite of losing his eye sight , acquired literacy. His visual loss has never been an obstacle. He was a terrific motivation for pupils and a good role model for challengers, in the genuine sense of the word. Our brains are so capable that they only require constant streaming. He picked up the Rubik's cube during lockdown period. He assured the kids that their capabilities are unequalled. He provided extensive information about Louis Braille's life, the development of the Braille script, and even its mechanical details. He delivered a brilliant description of how technology has made it easier for visually impaired individuals to read PDF books, operate computers, and other devices. Humans have immense potential.
